## NSW SRA 48-Class CANDY

Photo from:  
David Marr  
ARB

This version of the Powerline Models 48-Class will have many of the features of the previously released new 48-Class locomotive but will have a few minor differences and changes including; Blackened wheels, it will be DCC decoder ready with a plug and play set up, there will be no motorised fan, no man in the cab and improvements to the marker lights on the MK1,2 &3.

Minimum Deposit 50% of purchase price. Pay now price and paying deposit reserves the models of your choice. Changed or cancelled orders will result in a \$50 administration and service fee per order regardless of any reason. Balance is due when requested, usually when production has been completed and before shipping. Pay now and paying deposit price expires once production has been completed. Postage and handling is free for all paid in advance locomotives. After delivery price is expected to be \$290-\$295. Name of person listed here MUST BE the name on the credit card, as per credit card, and on the cheque account. Locomotives not paid for in full when requested or when production is completed will be charged full price when the locomotives arrive.
